What is a friend? I will tell you. It is a person with whom you dare to be yourself. Your soul can be naked with him. He seems to ask of you to put on nothing, only to be what you are. He does not want you to be better or worse. When you are with him, you feel as a prisoner feels who has been declared innocent. You do not have to be on your guard. You can say what you think, so long as it is genuinely you. He understands those contradictions in your nature that lead others to misjudge you. With him you breathe freely. You can avow your little vanities and envies and hates and vicious sparks, your meannesses and absurdities and, in opening them up to him, they are lost, dissolved on the white ocean of his loyalty. He understands. You do not have to be careful. You can abuse him, neglect him, tolerate him. Best of all, you can keep still with him. It makes no matter. He likes you — he is like fire that purges to the bone. He understands. He understands. You can weep with him, sing with him, laugh with him, pray with him. Through it all — and underneath — he sees, knows and loves you. A friend? What is a friend? Just one, I repeat, with whom you dare to be yourself.

— C. Raymond Beran

Mr. Arthur Stone

6th grade orientations . . . curriculum guides . . . parent/teacher conferences . . . 8th grade planning night . . . career counseling . . . college appointments . . . the list goes on and on . . . The Senior Class proudly dedicates the 1986 Norram to the man responsible for all of the above — Mr. Arthur Stone.

Mr. Stone is a 1949 graduate of Ithaca College, where he earned his degree in physical education. He received his guidance certificate from Colgate University. He spent his first years of teaching physical education in Georgetown, New York. Next, he moved on to Earville, where he was a physical education teacher for five years and then guidance counselor. Mr. Stone then came to Marion in 1961 and has been here ever since.

Mr. Stone, how can we adequately express the gratitude to you who have given twenty-five years of your life to our school, to our students, and to our futures?

Perhaps the quotation hanging on the wall of your office captures the nature of and the importance of the guidance you have offered all of us throughout the years:

We owe the 'younger generation' what all 'older generations' have owed younger generations — love, protection to a point, and respect when they deserve it. We do not owe them our souls, our privacy, our whole lives, and above all, we do not owe them immunity from our mistakes, or their own.

Dr. K. Ross Tooler

Thank you so much for everything Mr. Stone. Even though we will all miss you when you leave, we would sincerely like to wish you a happy retirement.

With much respect,
Kimberly Army

Guy' because he always shared his pets with the class for show and tell. Jim Newby was known as 'Mr. Tough Guy' — he fell backwards on his chair one day and cut his head. It took Mr. Reynolds quite awhile to convince Jim he needed the nurse's help.

When we returned as first graders, we were welcomed by several new teachers as we changed classes for each subject. This year we learned how to read. Some members of the class also put on the play *Cinderella*. Mike Withey was the narrator. Kathy Weaver was the stepmother. Jean Schermerhorn was the fairy godmother, and Pat Mai was the king. Linda Bigley, Steve Brown and Gary DeLue had fun turning from mice into horses and Matt Seppeler, Jennifer Urbanik and Mark Lee enjoyed dancing at the ball. One of our activities this year was going to the Strasenburgh Planetarium for a special Christmas show. At the end of the year we had a picnic at Forman Park. Unfortunately, it rained all day and the boys were more interested in throwing worms at the girls than playing the games like they were supposed to. This year Tammy Martin was the biggest teacher briber. She would bring her mom's chocolate chip cookies to the teacher. She couldn't settle for apples like the rest of us! This year we were joined by Linda Boley, Jean Schermerhorn, and Dan Howie.

Some memories from second grade were Kelly Smith carefully carrying her caterpillar in a coffee can wherever she went (Remember this Kelly??!) One day while discussing families in his class, Tom Owens informed everyone that he was the 'cute little brother' in his family! Jane DeWandel had a special treat this year — she inherited her grandmother's false teeth! Todd Nolte joined us this year.

Third grade was a great year of learning while having fun. We learned more on our field trips and still had a lot of fun. This year, we dressed up as Pilgrims and Indians for an old fashioned Thanksgiving dinner. We improved our writing skills by writing to pen pals in Williamson. At the end of the year we went to the Town Park for a picnic and also to meet our pen pals. Mr. Cantin's class visited Heritage Square in Ontario to see a log cabin and a one room school house. Our class picnic was at Forman Park just like other years. This year we were joined by Denise Sommerville, Tracy LaBarr and Michelle Fisher.

As fourth graders some of our classmates tried to develop a new talent — playing instruments in the Band. Others tested their spelling ability and entered the fourth grade Spelling Bee. Steve Johnson proved to be the champion speller. This year we visited the Genesee County Museum in Mumford. We really learned more about how to ride a bus since this was where most of our day was spent. New arrivals this year were Dan Worthington and Pat Bilek.

Fifth grade arrived and we now changed classes and teachers for every subject. This year we learned our states and where they were located from Mr. Sherry. Mr. Wopfanger introduced us to a new game called Gumball. We couldn't wait to get our work done so we could play. Paul Kancer was nicknamed 'The Hulk' this year because he always wore his incredible Hulk shirt to school! We also competed in Field Days. The athletes of the class proved themselves in such events as the softball throw, the base run, and the long jump. We all had the most fun in the tug of war competition. Because of a gas shortage, we were not able to go on any field trips this year.

THROUGH THE YEARS

Looking back on thirteen years of the class of 1986 is past brings back many memories. It's hard to believe that in 1973, many of us were only five years old. Many people in the class can not reach back into their minds to remember that first day we entered the big brick building on Main Street. These next two pages are dedicated to the class of 1986 to help them remember all the times of learning, fun, and sharing.

In the fall of 1973, one hundred ten kindergarten students eagerly anticipated their first day of school. Walking into school, we looked like we were homesick already. We were going to miss being away from our mothers for a full day. Even though we got to take a nap with blankets we brought from home, the day still seemed long. Our teachers kept us busy with many activities. We did the usual things that kindergarten students do, such as finger-painting, showing, and telling, and playing in the doll houses. Later in the year we visited the Shrine Circus, Lollop Farm, and ended the year with a picnic at Ms. DeMarree's farm. Certain students earned reputations early in their school career. Scott Roegiers was known as "Mr. Clean" — he always cleaned up after lunch better than any of us. Roman Brozoski was known as "Mr. Nice Guy" because he always shared his pets with the class for show and tell. Jim Newby was known as "Mr. Tough Guy" — he fell backwards on his chair one day and cut his head. It took Mr. Reynolds quite awhile to convince Jim he needed the nurse's help.

Finally we reached sixth grade and were the big shots of the school. Little did we know we would be the little kids again next year. In spite of that we managed to have a great year. We were all overjoyed the first day of Mr. Christie's English class when he announced that he didn't give homework. Unfortunately all the other teachers did. Our year came to a close with field days, a class picnic, and the second annual sixth grade graduation where many of us won awards. Before entering high school, we were given a chance to take a tour and try opening the lockers. A new member of our class this year was Rob Sherow.

The beginning of our stay at the high school was difficult, confusing and sometimes even frightening. If we weren't wandering around lost, we were trying to get our lockers open. Once we did get our lockers open, there was always an upperclassman standing by to slam it shut on us and make us even later for our next class. The upperclassmen also had a thing about trying to stuff some of us into garbage cans head first. As the year went on, we became more and more used to the new school. We received a lot more homework and a lot less free time. Our money raising project this year was the trash pickup. Mr. Morrel's homeroom won third place in the Eddy Meath penny fund contest. Cheryl DeToye became a member of the class of 1986 this year.

When we returned as eighth graders, it felt good not to be the youngest anymore. Many of us started to join clubs and play sports. The 'big' kids had the new seventh graders to pick on this year. To earn money for the senior trip, we held a Turkey Supper. Many of us earned how to be waiters and waitresses, some even got to do dishes. We were all looking forward to our next year when we would officially be high school students. A new member of our class this year was Brent Vesa.

Our Freshman year brought even more new experiences. Some of us were introduced to Regents classes this year. Our class project was selling Kadel Stationery. We made \$888.70 to go toward our senior trip. We also were qualified to play on JV sports teams now. For a different kind of a field trip, we went to see "Ghandi" for Social Studies class. Three people joined our class this year. They were Rich Cole, Bonnie Hutt, and Steve Abano.

As sophomores, our year was a little less exciting. The thrill of being Senior High had worn off in our Freshman year. Still, we managed to have fun, especially in Mr. Roods biology class. There was never a dull moment in there. He introduced us to many interesting animals. We got our own fetal pigs to dissect. If he ran out of the pigs, he offered us a different animal. I won't say what it was, but I will say that no one took the second choice. To raise money, we held a Sophomore Supper. Many new people joined us this year. Ryan Remington, Jeff Lammers, and Alan Anatole were a few. Two very special people that joined us were Mi Hwa and Mi Kyung Lee. They came all the way from Korea to become part of the class of 1986. We were very proud to have them graduating with us this year.

Eleventh grade, our junior year, brought new changes. Some of our classmates decided to study at BOCES. This took them away from us for half of the day. Many of those who chose to stay were faced with Regents Examinations and the fear of failing. No one is likely to forget Mr. Henrie's class. His lectures and his yardstick were things we shall never forget (Right Mr. Henrie?) This year we sold candybars for a fundraiser. Ron Specht and Steve Voll became members of our class.

Here we are seniors at last! The year we'd been looking forward to for so long has finally arrived. The last addition to our class was Karrie Moyer. Our senior activities began in August with the senior booth at the Wayne County Fair. We also sold magazines for a fundraiser. The next big event was the Senior Play. Our class performed a different type of play than previous classes had. 'I Remember Mama' was on the serious side, but we still had a great time doing it. In February we were measured for our caps and gowns. We were beginning to realize just how close graduation was. For the last few years, the senior class did not have a turnout day. The class of 1986 brought this tradition back on February 28. Many of us enjoyed the experience of becoming teachers, principals, secretaries, custodians, and cafeteria ladies. The first six months of our senior year have been very eventful, but we still have many activities to look forward to in the last four. Our Senior Dinner Dance will be held at Marvin's Country Club on March first. The Senior Trip will be in April. Many of us can not wait to see New York City and Washington. Those members of our class that are in the Band and Colorguard will be traveling to Toronto to compete this year. This is due to Mr. Thompson's and Mrs. Gigliotti's fine work with all of us. Our senior year will be the last chance to go the Prom. This year, unlike past years, the Prom will be held at The Trenholm East Inn. The theme song will be "This Could be the Night" which ties in with the theme — A Night to Remember. Finally, it will be graduation time in June. We will all miss each other when we go our separate ways. I hope these two pages will help each and every one of you remember all the good times the class of 1986 has shared. I also hope that we continue to see each other at each and every one of our class reunions. Good luck and God bless you all.

We are very proud of you! Your accomplishments, your aspirations, and the drive for excellence which you possess are surpassed only by your wit, your sense of humor, your love for life itself, and our love for you.

JEFF LAMMERS

We wish you and the class of 1986 every happiness for your future. We want to thank you for being an ideal son and brother — one we are always proud to call 'ours.' When you were born we chose the name Jeff, (meaning God's peace) You have always lived up to that meaning by your special kindness and caring for others. Always remember — WE LOVE YOU

Mom, Dad, Jon, Sandi, Wendi, and Jessica

LORI HUBRIGHT

You've always loved rainbows and you are a beautiful rainbow to us! We are proud of you Lori, we both love you very much!

TAMMY WEEKS

To our Mooch — You are the second of the three greatest loves in our lives, and we love you very much. We are so proud of the achievements you have made over the years, your many talents, and especially the way you show care and concern for those around you. We have watched you grow from Grandma Ida's "Honey Baby" to the lovely young lady you are today. Where did the time go? We've

had so much fun together, and shared so many memories together, our trip to Europe is a time we shall never forget. It was Wunderbar! We shall certainly miss you when you become one of the few, the proud, the ones. To all the Class of 1986, the very best of luck in all you do. May all your dreams come true, and may God bless you, and keep you in His care.

Mr. & Mrs. John & Linda Card

ANITA GOURLEY

It's been a great impish grin and a warm smile that brighten up our days. Our hopes for you are that you will make it a reality — it can be done.

MARK LEE

From the day you entered our life a ray of sunshine came to our home also. You have been an exceptional child to raise and a joy to have around. There is never a dull moment, from your comedian side to your serious side, and you'll forever be a source of fun. Your achievements in basketball, to the soccer ball bouncing off your head. And the moments we waited nervously to see you break the school record in track and your outstanding finishes in the sectionals. There are not enough words to describe how we feel about you. You have made us all so proud of you. There is no doubt in our minds that you will succeed in whatever you aim to do in the future, you have always set yourself a goal to reach and then went for it. God must have had a special mold when he made you. Thank you for being such a special son to us and brother to your brothers and sister. We all love you so very much.

Love Mom, Cecil, Tammy, Terry and Dan

MAUREEN McMAHON

You are a very special and lovely girl who has filled our lives with joy and happiness. We are indeed blessed to have such a daughter and sister. We wish you all the good things in life, especially happiness.

Love always — Mom, Dad, and Kathleen

JANE DEWANDEL

So many cherished thoughts and memories. Continue pursuing your goals keeping your values and faith. Come back to us often. We love you.

John — There are many memories that cross our minds as we think of you; all that you have accomplished, the independent person you have become and the joy you have brought to us in your 18 years. It is difficult to put into words how much we love and respect you and how proud we are that you are our son and brother. May you always get what you want out of life

Love — Mom, Dad, Jeff, and Kathy

TAMMY MARTIN

From day one Honey, you have been the joy, the beauty and the sunshine in our lives. Also from that special day till now, we know the true feeling and meaning of the word proud. We love you and we are so very, very proud of you. Good luck ahead and our love will always be with you. God bless you always and the class of 1986.

Love — Mom, Dad and Sis

KARRIE MOYER

God bless you as you leave your high school years behind and go on into your 'future.' We eagerly look forward to seeing your successes and dreams. We are confident that your life will be filled with many successful milestones. Thank you for being such a special daughter. Wherever life leads you, we know we will be proud to be called your parents

Love — Dad and Mom

HEIDI BOERMAN

Thanks for making our lives both fun and rewarding. Best of luck to you as you start on your way

Love — Mom

RON LASECK

Don't let your parents down, they bring you up. Choose your ambitions well, keep you head forward, try to be master of your talents or they will master you. Treasure your time, don't spend it idly. Listen to your heart or you'll fall for anything. Select only a date who would make a good mate. See what you can do for others, not what they can do for you. This is what you think, you are. Don't fill up on this world's crumbs, feed your soul on the Living Bread. Give your all to Christ. He gave His all for you.

All our love — Mom and Dad

CHERYL LYT

You must have been a beautiful girl when you were young. Best wishes in all you do. Don't grow up too fast. Enjoy the present moment. Eat healthy, exercise, etc.

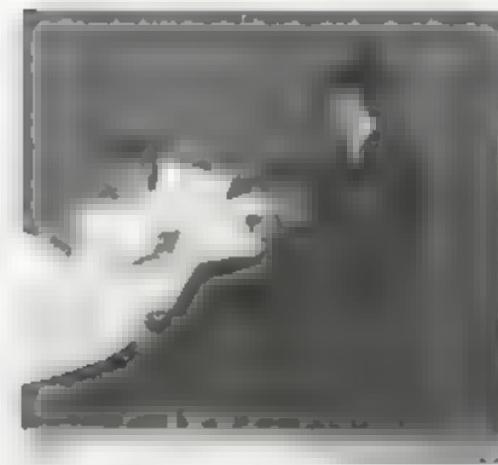

My love to all of you. I am thinking of you.
Remember you are in my thoughts and prayers.

The 1985 'Orange Express' kept up the fine tradition at MCS by being crowned the Co-County overall and B Champions. We tied Lyons with 5-1 League records, losing to Lyons 71-70 in the final league meet. Overall we were 8-2 for the season.

Again we were led by our Seniors, with considerable help from the underclassmen. Two of the seniors who score over 1000 points are Mike Rausch and Jim Romack. Both will be hard to replace as they have scored 760 points between them in their careers. Also graduating are Dave Marchione (county discus champion) Scott Holmes, Jim Romack, Woody DeLyser, Doug Weeks, Peder Madsen, Bill Dumont, and Matt Ferguson. Many thanks for their hard work and leadership.

Seven school records were broken or tied in 1985. Mark Lee set 2 of them while enjoying a great junior season. Mark won the County 110M High Hurdle championship and finished second in the Sectionals. Later he finished 6th in the State qualifier and set the MCS mark of 15.5 seconds. Mark won the Section 5 Class C high jump after finishing 2nd in the County. At the state qualifier he finished 2nd and jumped to a record mark of 6'3". He was our leading scorer with 141 points and won the Bill White Memorial Award for '85. Mike Ramsey was given the Alan Bushart Memorial Award for his outstanding career.

Thirty-one athletes return in '86 and with the addition of some fine Junior High boys, the Express should be a power to reckon with next year. Pat Hall and Keith Martin will battle to lower the 100M mark they hold. Rob Spina will try to lower his 3200M record and try to be the first to run under 10 minutes at MCS.

LITTLE PIONEER THREEL

SENIORS: Row 1 T Holmes Row 2 B Gallivan, K Fires.

The team set or broke six Section 5 Class C records at the sectional meet.

At sectionals Becky Gallivan was first in the 800M, 1500M, 3000M, and 3200M relay. Tracee Holmes was first in shot and discus. Kim McClellan was second in pentathlon. Jean Schermerhorn was fifth in the 100M hurdles. Becky Jackson was sixth in the discus. Kelly Fires, Debbie Weeks, Audrey DeRue, Lisa DeMay were second in the 1600M relay; and Weeks, DeRue, DeMay, and Gallivan were first in the 3200M relay.

At the state meet Becky Gallivan set the all-time Section 5 record in the 1500M with a time of 4:37.7 and finished 11th place. Tracee Holmes placed 3rd in the state in the discus with a throw of 126'10".

The team of Jane DeWandel, Jean Schermerhorn, Kim Drake, and Lisa DeMay also set a school record of 54.9 in the 400M relay.

Two thirds of the team's twelve members were named to the Wayne County All Star team. The All Stars are: Becky Gallivan, Tracee Holmes, Kelly Fires, Audrey DeRue, Jean Schermerhorn, Debbie Weeks, Jill Garipp, and Lisa DeMay.

We finished in second place in the tough Wayne County League behind Lyons. Four out of six of the top teams in Section 5, Class C are from Wayne County.

All in all, this was an exceptional team with all team members doing three and four events per meet. Had we had a dedicated coach we would have won the Sectional Championships in the history of school. Congratulations to all!

The Jr. High Track Season was a great one weather wise individually and for the team. The girls were 3-3-1 and the boys were 5-2. The highlights were Scott Miller's 5'8" in the high jump, Fabio Palazzo winning the pole vault in the county meet, miners, Lock, Valer, and Shater doing their things, and a whole host of seventh graders working hard to develop for a great next year.

1985 VARSITY BASEBALL

Seniors A Karpp, R. Gabriel

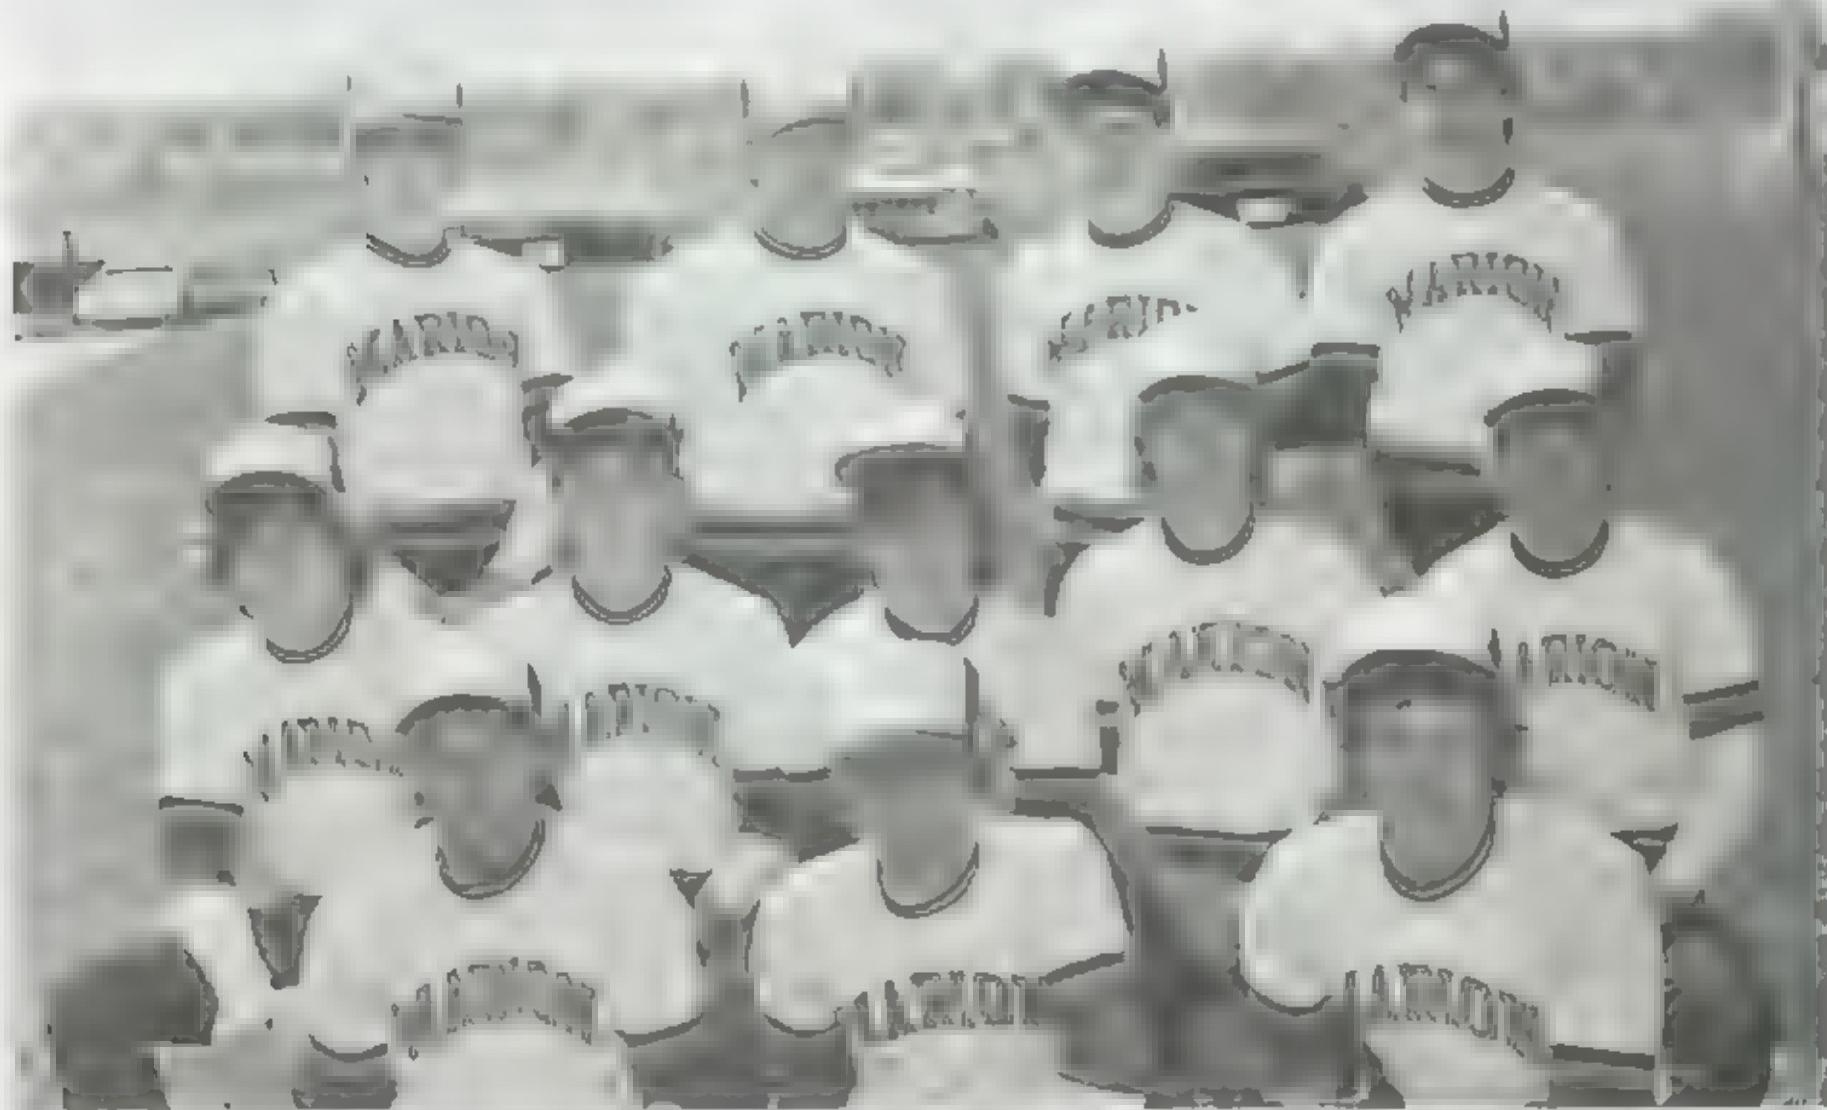

The 1985 Varsity Baseball team consisted of 2 seniors, 6 juniors and 2 sophomores. This inexperienced squad compiled an overall record of 7 wins, 9 losses in a strong Wayne County League. A 5 win, 1 loss record versus "B" competition won them the Class "B" division title. In section five competition, Marion lost to Wheatland-Chili by a 3-2 score.

Individual, a strong performance by Roman Brozowski at 3rd base earned him an Honorable Mention on the Wayne County All Star Team. A .302 batting average and good all around play earned Rob Sherow a spot on the 2nd All Star Team. The honor of 1st Team Wayne County All Star went to senior Rich Gabriel.

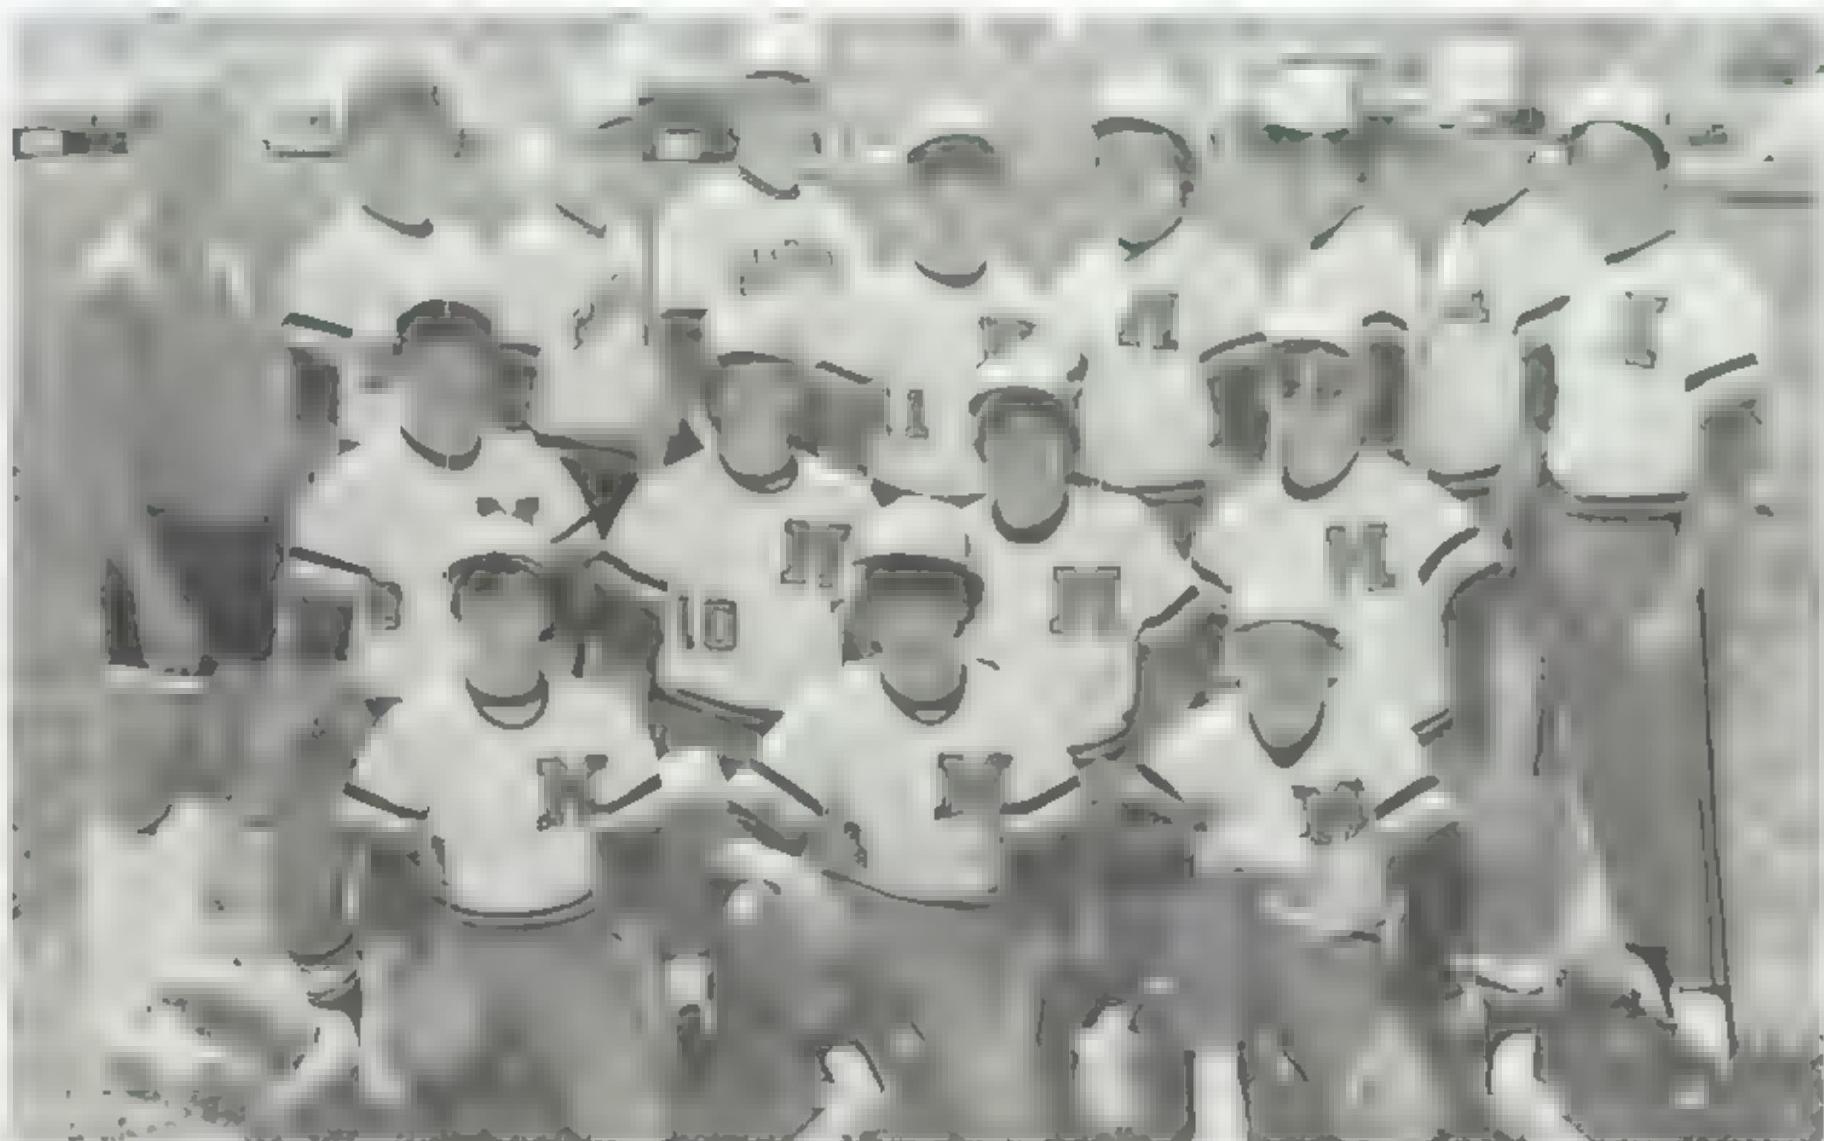

The 1985 Bill White award also went to Rich Gabriel. Rich had an outstanding .407 batting average, 9 RBIs, 22 hits, and led the team in fewest number of strike outs.

Congratulations to the "Wayne County Class B Champions."

GIRLS TENNIS

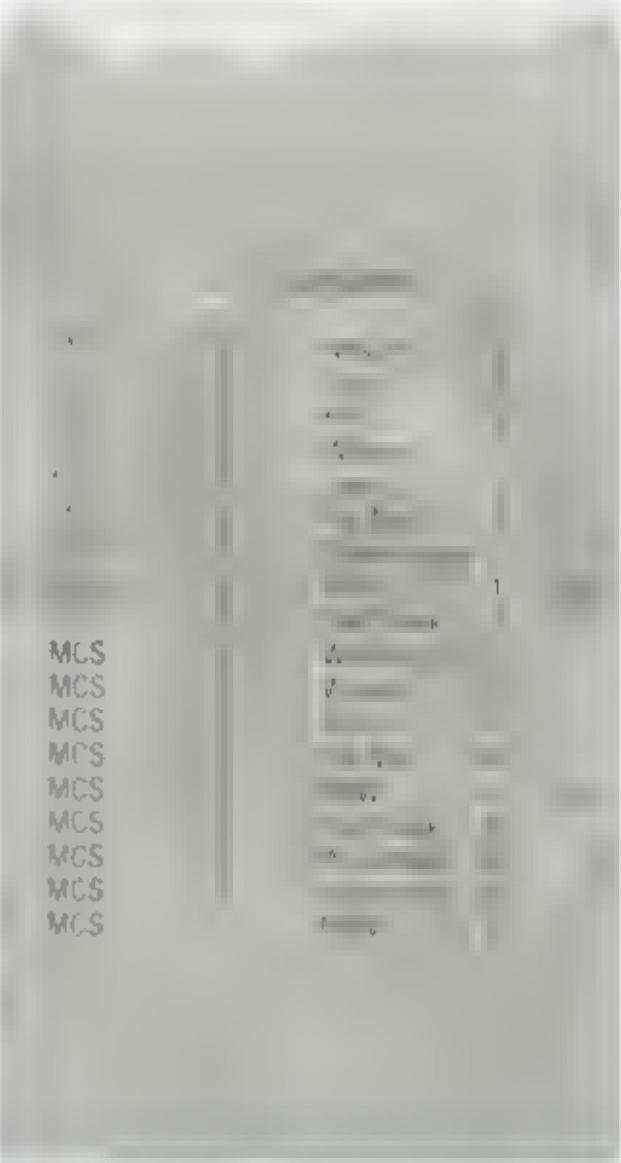

This year's Girls Tennis Team was predicted to finish last in the league because of the loss of the top five players from last year's team. They exceeded expectations by defeating three other schools. Despite the absence of home courts for much of the season, Jackie Leno was selected as a 2nd team All-Star in Wayne County. Without a single senior this year, our youthful squad is now an early pick for next season's class trophy.

The Marion Boys Varsity Soccer Team had a very successful and rewarding season. We won our own tournament this year and were the number one seeded team in class A sectionals. We had five players nominated to the All County teams and we finished third in Wayne County standings.

Our overall record was 12-4-2, and we allowed sixteen goals and scored thirty eight in eighteen games. We recorded eleven shut outs and were shut out only once in the entire season.

I think we came a long way this year in regard to our character and ability to come back after disappointments. Many times I feel we get caught up in the game and forget about what we're supposed to be accomplishing.

We say good bye to ten seniors this year. They will be missed, but with a very good Junior Varsity team, we'll be back next year.

A special thanks to the custodial staff for their work on the fields this year and to the rakers and mowers who spent many nights working on the fields.

Last, I personally want to thank the players for their hard work and dedication. It's worth it guys! I hope your memories are as fond as mine are.

BOYS JV SOCCER

We had an outstanding year. Our over-all record was 14 wins to only 2 losses. We outscored our opponents 61 to 11. Goalies David Kamens and Alex Weils recorded 8 shutouts. Midway through the J V season Tom Hunter, Ken DeLyser and Steve DiMuro were promoted to Varsity competition. Also moving to the Varsity at the conclusion of the season were Carl Adriaansen, Matt Stappenback, Brian Hendricks, and goalie David Kamens. Best of luck to these sophomores as next year they will experience tougher competition at the Varsity level.

In August the girls set a goal and that was to play in the Sectional Tournament. We play in a very strong league with five out of the seven teams qualifying for post season play, so this was not an easy task. The regular season started and finished on positive notes with a victory over the HAC and tying Williamson after leading for three periods, they are two of the better teams in Section Five. The tie with Williamson was one of six, setting a new indecision record.

I feel the girls team is just that, a team. We win and lose as a team. We were honored to have three girls selected to the All County Team.

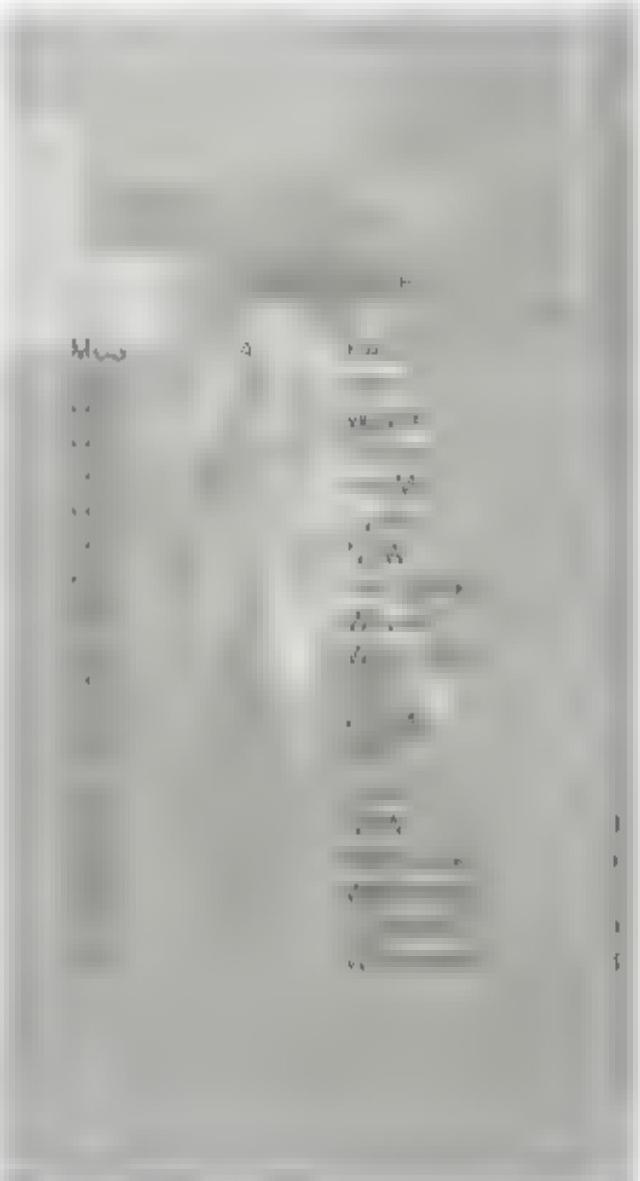

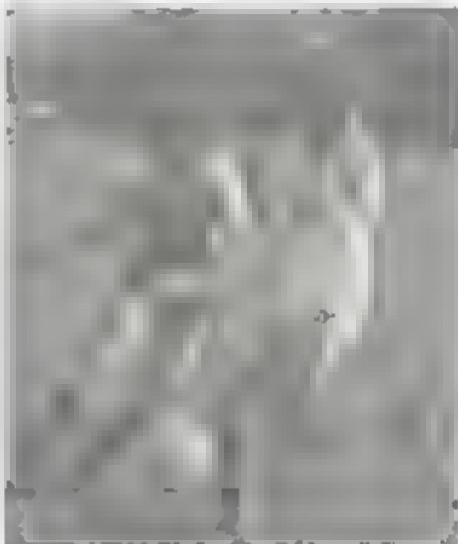

Jean Schermerhorn — 2nd team, midfield

Becky Jackson — 2nd team, line

Kim McClellan — 2nd team, defender

We will be losing seven seniors and we wish them the best in their future outside MCS. Keep the ball rolling!!! Next year's team should be very strong with the return of four girls playing their third year of Varsity together along with nine other letter winners.

The girls JV soccer team had a very successful season this year. The final league record was 8-0-4 and the final overall record was 10-0-5. Victories were recorded over every league school except Red Creek which ended in two ties.

A stingy defense allowed only 10 goals while a potent offense scored 31 goals. Leading goal scorers were Barb Godsey, Tracy Kamens and Cathy Laseck. The team also captured first place in the Harley Aier dual Columbia Tournament.

The Varsity Volleyball team loaded with young players had a surprisingly successful season in 1985. In spite of the presence of only six upperclassmen the Lady Knights finished the regular season with a 9 win/5 loss record and the Wayne County Class C Championship. All Star selections included second team members Anette Redmond and Jean Shermerhorn while Tammy VanLare was chosen to represent Marion on the league's first team. The season ended with a hard-fought, five set match loss to Oakfield-Alabama in sectionals. Prospects are bright for 1986 however as eight letter winners are expected to return in the fall to carry on the longstanding winning tradition in volleyball at MCS.

This was a year of real ups and downs. We began the season with a good turnout of past letter winners and many newcomers. Our first few outings were quite good, then things started happening. We lost two boys Andrew and Gary with minor, but persistent knee injuries, and Jeff Marchionda with a shoulder problem. Then Christmas came and we lost some players assmead due to failure to come to practice, and some others to work. If that wasn't enough we then had the nagging problem of the flu, which dragged on for the remainder of the season.

We did, however, have a successful season in the win-loss column, and many individual records were broken. We placed high in all five tournaments we were in, and for another year, placed Marion Central on the Section V Wrestling map. We were voted into the top ten teams in Section V for half the season, placing as high as 7th overall. Successful season? Yes, every season is successful if the boys we start with come a little closer to becoming responsible men. Through the time spent, discipline, disappointments, victories, and good friends, our goals have been met.

We will be graduating six seniors this year. This will leave a great responsibility for our underclassmen, and junior high wrestlers. Our seniors leaving are Steve Brown, Gary DeLue, Jeff Marchionda, Charles Madison, Jim Newby, and Tim Habecker.

There are little eyes upon you

There are little ears that quickly
take in every word you say
There are little hands all eager
to do anything you do
And a little boy who's dreaming
of the day he'll be like you

You're the little fellow's idol,
you're the wisest of the wise
In his little mind about you
no suspicions ever rise
He believes in you devoutly,
holds all that you say and do
He will say and do, in your way
when he's grown up like you

There's a wide eyed little fellow
who believes you're always right
And his eyes are always opened,
and he watched day and night
You are setting an example
every day in all you do
For the little boy who's waiting
to grow up to be like you

The Varsity Basketball team found victories hard to come by in 85-86, but played some exciting ball all during the year. Our highlights at home were an overtime win against Sodus and a come from behind win with Red Creek. Junior David DeFisher led us in scoring and rebounding. Sophomore Steve DiMuro came to the varsity after game three and also made a large contribution as he finished as our number two scorer.

We say good bye to five Seniors. Co Captains Scott Roegiers and Mark Lee ended their careers at MCS. Also calling it a career were Rob Sherow and Rich Cole. The final Senior, John Wunder was honored by the County coaches by being named to the First Annual Exceptional Senior team. John took part in the first Wayne Co. vs. Finger Lakes Basketball game in March. David DeFisher was named to the Third team of the Wayne County All-Stars and Steve DiMuro received Special Mention.

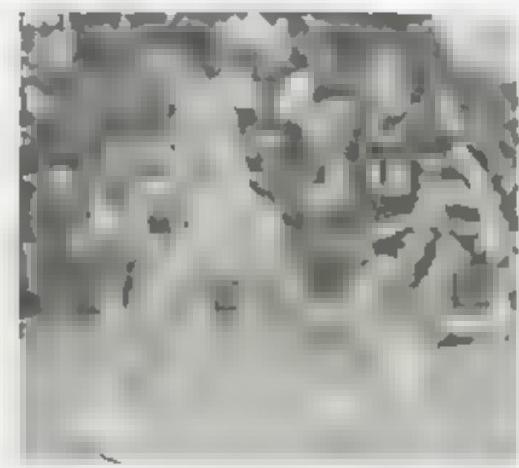

Many thanks from Coach Christie to the hard working Seniors for all their time spent in the program over the years. Thanks also to the parents, loyal supporters, and our cheerleaders.

Nothing in the world can take the place of persistence. Talent will not, nothing is more common than unsuccessful men with talent. Genius will not unrewarded genius is almost a proverb. Education alone will not the world is full of educated derelicts. Persistence and determination alone are omnipotent.

LITTLE JV BASKETBALL

The Girls J.V. basketball team finished with a successful 10-3 record. Their win-loss record really does not indicate their true achievements. Basketball is not just a sport where one must learn to dribble and shoot a basketball. It must be a stepping stone for one to learn responsibilities, and what role he or she plays as a team member. With their willingness to work hard as athletes, they will be a force to be reckoned with at Marion High.

This is a black and white photograph featuring a series of parallel, slightly curved horizontal lines that converge towards the top right corner. The lines are dark and exhibit a fine, vertical grain texture, suggesting they might be shadows or reflections on a surface. The background is a lighter, off-white color, creating a strong contrast with the dark lines. The overall composition is minimalist and abstract, focusing on the geometric relationship between the lines and the frame.

THE ARROW AND THE SONG

I shot an arrow into the air,
It fell to earth, I knew not where;
For, so swiftly it flew, the sight
Could not follow it in its flight.
I breathed a song into the air,
It fell to earth, I knew not where;
For who has sight so keen and strong,
That it can follow the flight of song?
Long, long afterward, in an oak
I found the arrow, still unbroke;
And the song, from beginning to end,
I found again in the heart of a friend

— Henry Wadsworth Longfellow

Lee,

You've been

will be
all my days.
You always bring

Let's stay that way
Love ya

Lee,
I went to school for 13 years just so
I could sign the end-pages in someone's
yearbook, to be put on a shelf, and never
read again? Seriously, I think it's an extreme honor
to have been asked to sign your book. Hell,

seriously, I think it's an extreme honor
to have been asked to sign your book. Hell,
Dive motovixy! That's why I'm a D.J.
Well, knowing you all these years has been
a neat trip. It's good to know Dive got
friends who want to be with me, and not
just because Dive got a great bod! That
doesn't mean they can't appreciate it though.

So, as I try to write a close, stick my
fingers up my nose; try to get one that's big
and green, you'll find it answered on pg. 103!
Just want you to know, have a great
summer, a better school year next time at
last, and a real doozy of a life, etc?
See you at the dances!

I'm glad you
got your braces
on after me, because
I'll smile at you a
lot when I get mine
off and you still
have yours on.
Probably with my
luck it will be
the other way 'round!
Sorry if this message
is dumb. Never change.
